UNITED KINGDOM

THE UNIVERSITY OF BUCKINGHAM, UNITED KINGDOM (MEDICINE)

- The United Kingdom is a northwest European island nation comprised of England, Scotland, Wales, and Northern Ireland.
- The history of the University of Buckingham is extremely interesting. It is the **oldest independent university in the United Kingdom**.
- The University of Buckingham was awarded Gold in the inaugural Teaching Excellence Framework (TEF) rankings. The University received “double positive” ratings in all six categories, which was a remarkable accomplishment.
- Buckingham is proud to have ranked first or second in student satisfaction on the National Student Survey (NSS) since 2006.

- The medical school is **small enough** to feel like they are part of a cohesive and supportive **community**, but **large enough** to provide all of the experience you need to become a medical practitioner.
- Our 4.5-year MB ChB program is based on a well-established curriculum. Every aspect of it is designed to assist you in developing the knowledge, skills, and attitudes required to become a professional and ethical doctor.
- The University of Buckingham has a spring intake starting in January 2022.
- Duration for Medicine program is 4.5 Years.
- International students' tuition for the first year of medicine is £38,000.
- Medical students whose first language is not English must have an IELTS UKVI or Academic Certificate of 7 with a minimum of 6.5 in each component. Alternatively, they can provide a Cambridge English: Advanced (CAE) Certificate with an overall average score of 185 and a minimum of 176 in each paper.
- Meanwhile Qadri International Educational Consultancy possesses collaboration with many other medical universities worldwide.
